TO THE PUBLIC.

In consequence of the numerous frauds and impositions practice in the ference to my medicine, I am again the form of myber. ference to my medicine, a induced to change the form of mybet. tles. In future, the Panacea put up in round buttles, fluted longi-tudinally, with the following werds blown in the glass, "Swaim's Panacis -Philada."

These bottles are much stronger than those heretofore used, and will have but one label, which covers the cork, with my own signature on it, so that the cork cannot be drawn without destroying the signature, without which none is genuire. The medicine must none is genuire. The medicine must consequently be known to be genuine when my signature is visible; terfeit which, will be punishable as forgery.

The increasing demand for this ce, lebrated medicine has enabled me to educe the price to two dollars per bot the thus bringing it within the reach of the indigent.

My panacea requires no encomium; its astonishing effects and wonderful operation, have drawn, both from Pa-tients and Medical Practitioners of the highest respectability, the most unqui-lified approbation, and established for it a character, which envy's pen, the dipped in gall, can never tarnish.

The false reports concerning this valuable medicine, which have been so diligently circulated by certain Physicians, have their origin either in envy, or in the mischievous effects of the spurious imitations.

The Proprietor pledges himself to solemn assurances, that this medicine contains neither mercury, nor any ther deleterious drug. The public are cautioned not to pur-

chase my Panacea, except from my self, my accredited agenta, or person of known respectability, and all these will consequently be without excuse, who shall purchase from any other Philadelphia, Sept. 1828.
